About the Emerging Growth Conference

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time efficient manner.

The Conference focus and coverage includes companies in a wide range of growth sectors, with strong management teams, innovative products & services, focused strategy, execution, and the overall potential for long term growth. Its audience includes potentially tens of thousands of Individual and Institutional investors, as well as Investment advisors and analysts.

About Beneficient

Beneficient (Nasdaq: BENF) – Ben, for short – is on a mission to democratize the global alternative asset investment market by providing traditionally underserved investors – mid-to-high net worth individuals, small-to-midsized institutions and General Partners seeking exit options, anchor commitments and valued-added services for their funds – with solutions that could help them unlock the value in their alternative assets. Ben's AltQuote™ tool provides customers with a range of potential exit options within minutes, while customers can log on to the AltAccess® portal to explore opportunities and receive proposals in a secure online environment.

Its subsidiary, Beneficient Fiduciary Financial, L.L.C., received its charter under the State of Kansas' Technology-Enabled Fiduciary Financial Institution (TEFFI) Act and is subject to regulatory oversight by the Office of the State Bank Commissioner.
